

## F1 Petrol Fuel Service Center

*Restores Performance,  
Fuel Economy  
Reduces Emissions*

### Features:

- Superior quality
- Portable (12VDC) and easy to use
- Cleans fuel injected, carbureted, and small displacement diesel engines:
  - Combustion chambers
  - Intake valves
  - Intake manifold
- Restores performance
- Diagnostic capabilities
- Adapters for most engines

### Specifications:

- 12 VDC
- 100+ psi rated pump
- 1.75 liter reservoir with solution ratio guides
- 60 minute timer with alarm
- Pressure adjustment valve
- Purge valve for quick engine shut down and pressure relief
- Hytron hoses
- Two (2) year limited warranty

Weight: 32 lbs. (14.5 kgs.)

Dimensions: 11.25" (29 cm) wide  
18.5" (47 cm) deep  
13" (33 cm) high

The F1  
Petrol Fuel  
Service Center  
also comes  
equipped with a  
removable cart

## D1 Diesel Fuel Service Center

*Reduces Opacity  
Improves Performance*

### **Specifications:**

- 12 VDC priming pump
- Fuel/water separator with drain cock
- Vacuum/Pressure Gauge
- Prime pressure adjustment
- 60 minute timer with alarm
- 6 U.S. gallon solution/fuel reservoir
- Hytron hoses
- Two (2) year limited warranty

Weight: 87 lbs. (39.5 kgs.)

Dimensions: 18" (46 cm) wide

21.5" (55 cm) deep

39.5" (100 cm) high

### **Features:**

- Portable (12VDC) and easy to use
- Superior design and build quality
- Cleans diesel engines up to 2500 hp
- Adapters for connection to most diesel engines
- Mixing guide for proper solution/fuel ratio
